

Dear Friend in Jesus!

We are facing a world where Radicals, Islamists, Communists, and Socialists have joined together to take over and change the map of the world by infiltrating the USA from within and wiping out Israel. Once again, the Middle East is in turmoil. Since both Islam and the Bible predict the last days, some of our Muslim contacts are asking if the world is now in that phase. Let's pray for their seeking hearts to find the Truth about Jesus, the real Savior.

'Deceptive triangulation': It is important to note that Jews, Christians, and Muslims, too, believe in the advent of the Messiah and the establishment of the heavenly kingdom. However, Muslims believe that it will be an Islamic kingdom with the *Mahdi* as the head and Jesus as his deputy. *Shi'a* Muslims believe that to bring about the arrival of their great leader, the *Mahdi*, they must create more chaos. To accomplish this, they seek to disrupt stability and sow chaos through various means, including using tactics such as 'deceptive triangulation' to confuse their enemies and make them believe that their efforts, known as *jihad*, are not directed at them but at a different adversary.

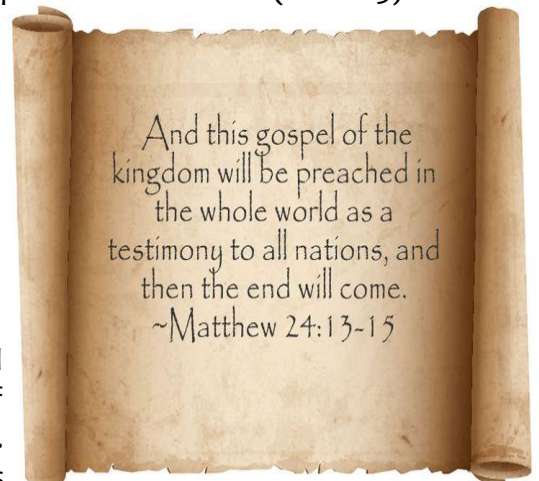

Apostates for Jesus: Terrorists around the world are attacking non-Muslims, especially Jews and Christians. However, simultaneously, they are losing grip on their adherents to convince them of Islamic peace. Since 9/11, more and more Muslims have left Islam! Islam has not faced such a crisis of 'apostasy' since Abu Bakr's reign (632-634 AD) after Muhammad's death. Although Abu Bakr successfully suppressed the movement through war, the present exodus out of Islam is excelling quickly. Indeed, there has been a significant increase in the number of Muslims coming against religion altogether and even becoming atheists. Some Muslims, contrary to their Islamic upbringing, have found a new faith in Jesus as the Messiah and the only path to salvation. Many of them often face challenges. Some try to hide their faith to avoid the punishment for apostasy. In contrast, others bravely confront the threat of martyrdom, yet others flee from one place to another, just as I did.

A Biblical Approach: Seeing the radical and militant nature of Islam, some Christians in the West feel very much intimidated by the presence of Muslims around them. In our outreach training, we emphasize that believers in Christ should not fear Muslims because they are not the judge; God is. The Scriptures remind us that we have not been given the spirit of fear (2 Timothy 1:7). Jesus said, "They hated me so that they will hate you," and "When you are persecuted in one place, flee to another" (Matthew 10:22-23).

Saul was unaware of the harm he was causing when he began to persecute believers (Acts 8:3). When Jesus confronted him, he was transformed, realizing that God gave His Son for us even when we were His enemies (Romans 5:10).

The Big Picture & Promise: We are called to be the salt and light of the world, reflecting Jesus (Matthew 5:13-16). Despite the influx of immigrants and the collapse of the Western economy, we should see this influx as a harvest, just as God does (Matthew 9:37-38). Amid turmoil and refugee migration, our hope is in Christ, who helps us overcome the world (John 16:33).

Jesus Christ will return to fulfill his promise (John 14:3). Until then, let us pray for the lost, share the Good News, and use the armor of God to fight against the powers of this dark world (Ephesians 6:12b). Let's continue to encourage each other and praise our marvelous

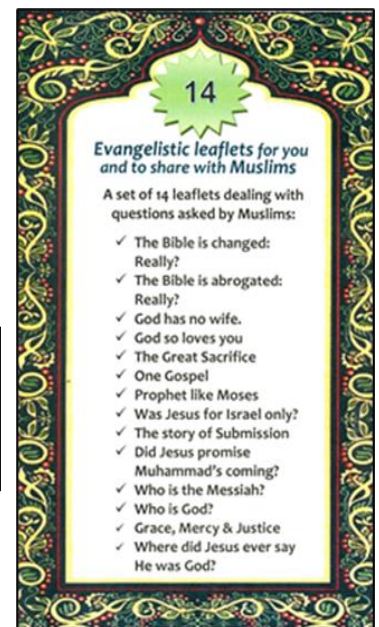

Creator who will one day say to His faithful servants, "Well done" (Matthew 25:21).

We thank you for all your prayers and support! May God abundantly bless you and your investment in sharing the life-giving Gospel with people worldwide!

Prayer & Praise

- ❖ We thank God for His support through friends like yourself. We praise Him for granting opportunities to share our calling and testimonies at churches, small group studies, and Zoom meetings. Pray that they will join us in outreach to Muslims. 'The harvest is plentiful, but the workers are few' (Matthew 9:37). We thank God for His warriors uniting in prayer for Muslims to discover God's Truth.
- ❖ We have started a new series of videos to guide you in sharing the Gospel with Muslims using our evangelistic leaflets. Recordings and PDF leaflets are available here: www.JesusToMuslims.org/outreach-workshop
- ❖ We are grateful to the Lord for the numerous miracles in the lives of many Muslims who have come to know Him. We pray that the Holy Spirit will remove the spiritual blindness of many others (2 Corinthians 4:4) and that they will accept Jesus, Yeshua, as their only Savior.
- ❖ Please join us in praying for discernment to provide the necessary help and materials for outreach as God leads.
- ❖ A great door of effective works is open (1 Corinthians 16:9). We pray that more workers join us in Muslim outreach as God leads them. We need your prayers and support. Through your help, Muslims are being reached for Christ even in the darkest places of spiritual warfare (Ephesians 6:12).

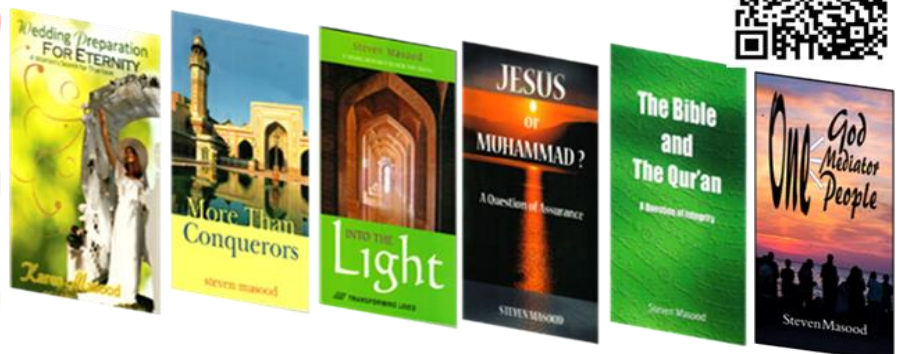

- ❖ We are grateful to the Lord for continuing to work miracles in the lives of Muslims, even those with hardened hearts who read, listen, and watch our programs. We pray for the moment of realization to come and for them to embrace Jesus as their LORD.
- ❖ We pray that God will intervene with terrorist groups and disrupt their plans. Islamic terrorism comes from revenge in their hearts. They desperately need the PEACE of Jesus in their hearts instead, which comes from our obedience to the Great Commission. Let us equip you!
- ❖ We pray for the strength and endurance of believers in Israel and Gaza, for divine peace in

Israel, and for the IDF, according to His will and wisdom.

- ❖ Please pray for the salvation of MBB's unsaved families, as promised in the Scriptures, through angels, visions, dreams, and his servants.
- ❖ We seek His guidance and wisdom to build believers on a biblical approach in response to Islam and seek new opportunities. Please partner with us, financially and practically, by persuading your pastors to invite us to equip you for this mission. There is far too much ignorance of Islam in America! (Hosea 4:6)
- ❖ We are thankful for those who serve alongside us among Muslims. Please pray that God empowers them with wisdom and guides them into conversations with Muslims.
