

The Battle is raging!

Dear Friend in Jesus! The battle is raging! The sides are emerging; Islam is lining up with Socialism, Marxism & Communism. It's all the spirit of death! Jesus came to give humanity LIFE, eternal life. Satan came to kill, steal and destroy and bring you with him to eternal death. The true Bride of Christ must arise for 'such a time as this' to engage in the battle without fear! For with God on our side, who can be against us? God's side wins! There is no fear in love for perfect love casts out all fear! To live is Christ to die is gain! Daily we must put on our full armour of God (Ephesians 6:10-20) putting up our shield of FAITH (even the faith of a mustard seed) authoritatively demanding that mountain to move!

Satan's army is uniting to come against God's people, the church, to divide and conquer. We must stand firm not allowing division. God is using this to separate the sheep from the goats and separate the wheat from the tares. Only the strong, spirit filled Christ followers who fear the God who can throw their souls into hell will continue to stand while engaging in this war! The Word holds true as we see, the road is narrow, and few will find it. This war is not for the weak at heart, who try to please man over God, who are ashamed of the gospel, who do not believe the Word is the inherent Word of God, but for those who will unite together as one with the Father, each using their gifts for the good of the whole body of Christ and having a passion to rescue the lost sheep (2 Timothy 1:7, Matthew 25:31-46, Matthew 13).

Tactics

Islam's tactic of war in a non-majority Muslim foreign country, like America whom they call 'The great Satan', unlike the little Satan, Israel, whom they believe they can wipe off the map through military might, is to use the Trojan horse concept. Their covert operations include the following:

1. Infiltrate by immigration, illegally or legally by luring 'innocent, vulnerable, emotionally weak' lambs (women) to marry their Muslim men and populate.
2. Get into positions of authority through using *taqiyya* (lying for the greater cause of Islam) to campaign, give money and serve the community to gain influence, running as a conservative using freedom of religion and word manipulation to convince Christians they are on equal footing.
3. Drain their welfare system by taking free support, registering 3 of their 4 wives as single parents as one Muslim man averaging 8.1 children per wife can do.
4. Join all efforts to divide and conquer so to ultimately destroy all Judeo-Christian principles of the Constitution so to replace it with Shari'a.
5. Temporarily demand equality of Islam with Judeo-Christian principles through interfaith forums, COEXISTING, political correctness, suing anyone who they can prove discriminates by using Islam's foreign monies.
6. Demanding equal Shari'a compliant courts, banking systems, prayer washing facilities in airports, businesses and educational institutions for their daily allotted prayer times and infiltrates their educational systems.

These covert operations are all happening in America just as Steven saw them happening in Europe! Karen has had an unprecedented number of cases of innocent lambs (women) being led to abuse and slaughter in Muslim marriages. Please pray fervently for God to rescue our American women from these deceptive, manipulative, and abusive marriages. All relatives are reaching out to us for help to stop their daughters, nieces, sisters, and moms from this deception.

Two Tier system

There are many who call themselves by Christ's name and believe the lie that Muslims worship the same God of Abraham, Isaac, and Jacob. So many are taking Scripture out of context to justify their support and be all embracing of Muslims over Biblically sound Christ followers. Many women who do not know Jesus are easily lured in the name of non-discrimination, in their rebellion toward family authorities trying to protect them. It is dividing families. Spiritually it is an unequally yoked situation of darkness with light. Technically, this alliance is treason and eventually becomes crimes against humanity. How, you ask? The ideology of Islam is an enemy of the US Constitution. Islamic teachings in mosques and writings of the Qur'an and Traditions of Muhammad are anti-Christian and anti-Jewish and spiritually Islam is the anti-Christ spirit. It's a matter of life and death. Jesus came to bring life, but Islam is Satan's tool to bring death-death by Jihad and eternal death by blinding Muslims to the gospel truth.

Alligator in the backyard

Our own Marion County, FL is now one of many counties across America facing a Mayor's campaign where a Muslim woman is running as a Conservative using 'freedom of religion' as her stand, against our wonderful current, Godly Mayor. You must ask yourselves how could Islam be the fulfilment of a Covenant given by God to Abraham and fulfilled already in Jesus 700 years earlier? Muslims insert the religion of Islam into the Abrahamic religion by using Ishmael as Abraham's son ignoring the Biblical promised son, Isaac. Manal's affiliates include anti-Israel Islamic dictators and terrorists. She proudly poses in pictures with Omar Ilhan, Rashida Talib and has a picture of Arafat on her office wall. She agrees with policies of Keith Ellison and other Muslim Politicians who advocate for defunding the police, and civil unrest in democrat-run cities and Muslim run areas. Remember, it was their state of MN where the riots and burning of buildings began. So deceptively, on one side of her mouth she stands strongly for our first responders in her campaign while the other side she proudly announces her being a Muslim woman in that same speech. Jeremiah (17:9) says the heart is deceitfully wicked, who can know it?

As we listen to her lie (*taqiyya*) about her stance and omits the truth (*Kitman*) by never mentioning her position on the board of CAIR (The Council on American-Islamic Relations) and other Islamic groups promoting division like ING (Islamic Network Group) and ISNA (Islamic Society of North America), one who is wise to the ideology of Islam and its covert operations, such as us and those we

equip can see right through it all to their goal to lie for the greater cause of Islam. It is disheartening to see so many Ocala residents blinded by Manal Fakhoury's community 'good works' and being politically correct without getting educated on the truth about Islam. Matthew 24:24 is in play here; false prophets will deceive even the elect if it were possible. This whole interfaith, COEXIST movement began in the US in 2007 with 'A Common Word' and was ramped up Feb 4, 2019 when the Pope made a Covenant with the head Sunni Sheikh that both faiths worship the same God and God brings diversity of religion. The plan is to take one city at a time, one state at a time to eventually put the Islamic flag on the WH to declare the United States of Islam and replace the US Constitution of freedom with the slave type laws of *Shari'a*. That will complete their goal to dominate the whole world with Islam

so to bring 'peace on earth'. Muslims are willing to align themselves with any other agendas if it will help their Islamic agenda of subjugation to be fulfilled. My studies point to an Islamic Antichrist.

Censorship of the Media

Steven's several lectures and presentations have been censored by YouTube and to overcome, Steven finds ways to repackage the same with a different title. The recent censorship was the Intro to *Jesus to Muslims* labelled as misinformation. We have now put that video on another platform and made a link at our website. Could you have ever imagined social media platforms founded in the USA, the freest country on earth, could turn against not only Biblical values, Christians, Israel, conservative values and truth labelling them 'misinformation' including threats while standing with enemies of our nation? We are in a real war, and we need you, the true body of Christ to stand fearlessly with us in prayer and financial support so we can continue to fight on the front lines and be faithful in our calling to equip Christians and reach Muslims with the gospel.

America was founded by Christ followers fleeing persecution from Europe to be able to worship Jesus the Christ freely and to be a beacon of light to all people from wherever they come no matter what they believe so to be enlightened with the true gospel of light and life. Over 240 years later we have those calling themselves 'Christ followers' embracing the foreigner's gods whom all bring death as they try to appease the foreigners rather than sharing the gospel. God warned not only the Israelites not to marry foreign unbelievers because they would corrupt their lives and the nation, but also in the New Testament we find the instructions for believers not to be unequally yoked (Deuteronomy 7:3; Joshua 23:12; 2 Cor. 6:14).

We, at *Jesus to Muslims* are watchmen on the wall bringing you that same warning today. Remember, if Islam is worshipping the same God, why has Steven and many had to flee for their lives? Why are Christians and their worship places destroyed in Muslim majority countries? Clearly, even the Muslims don't believe it is the same god – **Karen Masood**

Prayer and praise points

- ❖ Please continue to pray with us for the 'safety' of Muslims in contact with us in their search for Truth and for those who have accepted Jesus as Savior.
- ❖ We pray that the Lord will protect these new believers and that they will be disciplined by our friends around the world in a Biblical manner.
- ❖ Also please pray with us for those who occupy us with their arguments and that the Lord will continue to grant us soberness of mind and patience with them yet still telling them the Truth about Christ and their plight if they reject Him.

This 7 sessions study introduces the key topics of Bible prophecy from a Dispensational perspective. This series is designed to work in conjunction with reading a copy of *The Non-Prophet's Guide to the End Times*

- ❖ We pray for missionary friends we trained who are now reaching Muslims in the USA and abroad. We help support them in various ways from 'Jesus to Muslims'. Pray for their safety and much fruit.
- ❖ We pray for safety for several ladies married to Muslims and are now following Christ for safety and that their lives will touch their husbands' hearts and they will know Christ (1 Corinthians 7:14-17).
- ❖ Please pray for young vulnerable women totally ignorant to the dangers of Islamic marriages for God's protection as they insist on learning the hard way.
- ❖ Pray with us for those who directly and indirectly try their best to annoy us by sending abusive e-mails trying to demolish our websites and lock our computers.
- ❖ Some in the mission-field are encouraging seekers that they can be 'secret believers' and still go to the mosque and perform Islamic practices. Such is false advice. Please pray with us that they will be bold and use only Biblical methods in outreach and train them to be bold in their walk with Christ as He protects them as He ordains each of our lives time frame.
- ❖ We receive lots of e-mails from 'Christians' to provide help in outreach. Pray with us for discernment and to be able to provide outreach material needed.
- ❖ We pray that the Lord will bring more partners needed in outreach to Muslims. Praise God for travel mercies and speaking appointments and ask Him for more. We thank Him for providing and directing us to friends and contacts to share the Word.
- ❖ We ask the Lord for help to bring friends with administrator skills, technology skills, as well as to mentor and raise up servant to continue this ministry work. We seek His guidance and wisdom as we build believers on a biblical approach and response to Islam and seek new opportunity.

Please pray with us for

- **God's Anointing:** as we witness to Muslims and equip believers.
- **God's Protection:** Spiritual warfare becomes fierce against us when Muslims start listening to Jesus as the only source of Salvation.
- **God's Provision:** that the Lord will convict the hearts and minds of His people to join us.

Eschatology

Nations, including the United States, have been worried about Iran, an Islamic nation, going nuclear. Threats of Iran wanting to destroy Israel are well known. This ideology, combined with nuclear weapons, could lead to a nuclear war in the Middle East. However, a nuclear war would devastate the land and endanger other countries. A nuclear attack would destroy the ability to take a "spoil" or "prey" (Ezekiel 38:12). It is more likely that a land invasion over the mountains into Israel will be what takes place. That is exactly what God prophesied to Ezekiel "... against the mountains of Israel, which have been always, waste: but it is brought forth out of the nations..." (Ezekiel 38:8).

Iran, the first nation mentioned in Ezekiel 38:5, is listed as one of the invading countries. Iran was known as Persia for most of its history until around 1935, when a name change occurs. Iran is a Muslim country and so are many of the countries mentioned in Ezekiel 38. The end result of this battle will bring destruction, not to Israel, but to the invading armies. God will fight on behalf of Israel with an earthquake, confusion so the invading army will turn on themselves, pestilence, blood, overflowing rain, great hailstones, fire, and brimstone. (Ezekiel 38: 19-22). When the armies are defeated, the God of Israel will be known by many nations and they shall know Him as Lord (Ezekiel 38:23). If the Jewish temple has not been built on the temple mount before this time, this would be a good time for it to be built.

Today, as we look at the Middle East and observe unrest, we wonder when will this battle take place. The prophet Ezekiel stated that before this occurs, the land will have "unwalled villages," they will be "dwelling without walls," and they will be without "bars and gates." This prophecy must have shocked the people of Ezekiel's day, but for us in 2021 this is reality and fulfilled prophecy. Yet, the rest of Ezekiel's prophecy, in Ezekiel 38:11, surprises us. At the time of the prophesied invasion, Israel will be at rest and dwelling safely. So what will happen to change the present danger in Israel to safety? Could it be the work of the Antichrist found in Daniel 9 and Revelation 6? He signs a covenant with Israel and others that begins the 7-year tribulation period. Could this be why Ezekiel states that Israel will be at rest and dwelling safely?

Theologians have discussed the timing of this war. Some place it before the tribulation period, during (early days or mid tribulation), or at the end of the tribulation period. All but one of these interpretations, places the war after the rapture of the church. As the world listens to Anti-Semitism, watches attacks on Israel, observes nations forming alliances, and hears cries for the destruction of Israel, God-fearing people see the prophecy of Ezekiel coming into focus. Believers ask, how long, Lord Jesus, before your return?

We must be careful how we interpret prophesy in light of current events. We should read prophecies and meditate on them so that we can learn God's prophetic plan and understand the future. — **David Corbett**
