

Understanding the Islamic Agenda for America and our Biblical Response

Introduction: Hebrews 1:1-2

- Submission versus Peace argument

What's behind such contradictions?

- Spread Confusion for a Greater Purpose?
- To take over the world for Allah
- To establish Allah's religion on earth

The answer is in the Islamic Religious texts:

The first 13 years (609-622 AD) of Muhammad's preaching:

- He was a mere warner and prophet (Sura 67:26)
- In response to his opposition: To you your religion and to me mine (Sura 109:6)
- Any Jew, Christian, or Sabeen who believes in Allah and the Last Day-no fear shall they face (Sura 2:62)
- 'Let there be no compulsion in religion' (Sura 2:256)

The last 10 years (622-632 AD):

- Violence against opposition – Some followers questioned
- Muhammad introduced the theory of Abrogation (later revelation supersedes earlier revelation of Muhammad - (Sura 2:106; 13:39; 22:51)
-
- 'Slay the unbelievers wherever ye find them, and seize them, besiege them, and lie in wait for them ...' (Qur'an 9:5)
- Allah loves those who kill in his cause (Sura 61:4)
- About 350 verses compelling Muslims to fight against Non-Muslims

What feeds Jihadi ideas?

- The Doctrine of '*Dar al-Islam*' and '*Dar al-Harb*' compared with '*Dar al-Sulah* or *Dar al-Amn*'.
 - 3 Stages (learn from Islamic history)
 - Weakened stage-befriend – *Dar al-Aman* / *Dar al-Sulah*
 - Preparation stage-recruit & build arsenal
 - Conquer & subject – using all efforts from *Dar al-Sulah* to *Dar al-Harb*

ISLAMIC Strategy *in the USA* –

- Present a peaceful PR-
- Refer only to peaceful verses
- Outward Co-operation
- Convince that the enemy is the other
- Interfaith efforts
- Hire or rewrite US history (Muslims before Columbus, Founding Fathers - Jefferson's Qur'an?)
- Present a peaceful PR for Muhammad
- *Da'wa* – Islamic Evangelism
- Education: Financial institution
- Doctrine of *Taqiyya* (Hiding the intention)
- Many Muslims use the contradictory teaching as an advantage (Sura 109:6 versus Sura 3:19)
- Judeo-Christian heritage versus Abrahamic heritage

A Biblical Approach/Response

1. **Share the Gospel of peace, of assurance, of grace**
2. **Share truth - See Muslims not as enemies but as a ministry**
3. **Share that Jesus is the end of the LAW**
4. **Know what Islam really teaches – Know their ways – challenge them lovingly – Share Jesus and His message.**
5. **Stand firm; taking up your full armor of God-this is a spiritual battle (Eph 6:10-20)**
